Dental Injuries- Title to come!

OBJECTIVES:

The SSATC 2025 Symposium will:

1. Understand the emergent issues associated with a joint dislocation
2. Develop written standing orders regarding management of dislocations
3. Recognize the importance of implementing cost effective healthcare equipment and supplies in the secondary school setting
4. Identify the current NATA, Spine Injury in Sport Group, and Emergency Medical Services recommendations regarding the pre-hospital management of the spine injured athlete
5. Identify athletes at increased risk for medical disorders or injury using PPE
6. Recognize educational opportunities to assist parents and coaches based on PPE information

Program Agenda Subject to Change

VATA (AP#344) is approved by the BOC to provide continuing education to AT's. This program is eligible for a maximum of 8 CAT A Hours. AT's should only claim those hours spent in educational program
